FOR IMMEDIATE RELEASE

HENDRICKS REGIONAL HEALTH AND HENDRICKS LIVE! ANNOUNCE NEW PARTNERSHIP

March 12, 2024 (Danville, IN)- Hendricks Regional Health and Hendricks Live!, Inc. are excited to announce a new two-year partnership in which Hendricks Regional Health is the inaugural supporting season sponsor of Hendricks Live!, the new performing and fine arts center under construction in downtown Plainfield.

Since 1962, Hendricks Regional Health has served west central Indiana as its preferred, trusted healthcare partner. As Hendricks has grown its footprint locally and expanded the services it provides our community, it has never lost sight of its deeply rooted legacy of community service.

“We are thrilled to partner with Hendricks Live!,” said Dr. Michelle Fenoughty, President & Chief Executive Officer of Hendricks Regional Health. “The performing arts help nurture relationships, promote healing and encourage a culture of wellness. By growing accessibility to the arts in west central Indiana, we are creating even more opportunities to positively impact the lives and well-being of the people in our community.”

Hendricks Live! will provide a professional space for local artists and arts organizations and bring national talent directly to Hendricks County. The supporting season sponsorship will support Hendricks Live’s mission to create memorable experiences by presenting, producing and hosting exceptional art, entertainment and community events. The venue, which is financed by the Town of Plainfield, is an integral part of the Town’s downtown redevelopment plan. Set to launch in the spring, Hendricks Live! will feature a 600-seat theatre, a 160-seat multipurpose event space and exhibit space for visual art – all of which is designed to serve as a gathering place and resource for the community.

“We are very grateful for the support of Hendricks Regional Health as our inaugural supporting season sponsor,” said Chris Petrelli, Executive Director of Hendricks Live!. “Our shared values, commitment to the community, and collaborative spirit make this an ideal partnership, and we look forward to working together to make west central Indiana an even better place to live, work, and play.”
